

ASAMAKA SCHOLARSHIP FUND

The Asamaka Scholarship Fund was established to empower students in our community, particularly those pursuing studies in engineering, technology, and skilled trades by reducing financial barriers to education.

Inspired by the legacy of Edward Ewere Asamaka, The Asamaka Scholarship Fund is a pathway that helps young students from diverse backgrounds reach their full potential, contribute to innovation, and build stronger, more inclusive communities.

To be eligible for the scholarship, (General eligibility applies to all students)

- Academic Status: Applicants must be currently enrolled in, or accepted to, a recognized college or university in Canada.
- Field of Study: Applicants must be pursuing education in STEM-related fields such as engineering, technology, automation, robotics, computer science, or skilled trades.
- Financial Need: Applicants must demonstrate financial need or barriers that may limit access to post-secondary education.
- Academic Commitment: Applicants must show satisfactory academic progress and a clear commitment to completing their program of study.
- Community Engagement: Applicants must demonstrate involvement in community service, leadership, work, or extracurricular activities.
- Residency: The student must be an immigrant to Canada, or a child of immigrants (first generation). Preference may be granted to immigrants from West Africa.

In Section A of the Online Application, kindly demonstrate the following:

- How you have been involved in community service, leadership, work or extracurricular activities?
- That you are an immigrant to Canada, or a child of immigrants (first generation). Preference may be granted to immigrants from West Africa.
