Who We Are: WindsorEssex Community Foundation (WECF)

At the WindsorEssex Community Foundation (WECF), we are more than just a charitable organization—we are a catalyst for lasting change. By managing legacy funds, providing grants to local charities, and fostering collaboration, we help shape a thriving, inclusive community. Through our Vital Signs® Program, we listen, learn, and take action to address the most pressing needs in Windsor-Essex County.

Together, we are inspiring philanthropy to make an impact today, tomorrow, and for generations to come.

What is the Vital Signs® Program?

Vital Signs® is an annual report that reflects the heartbeat of our community. It combines national, provincial, and local data with the lived experiences of Windsor-Essex residents, providing a comprehensive snapshot of our region's quality of life. More than just a report, Vital Signs® sparks conversations, drives collaboration, and inspires meaningful change.

Key Focus Areas

The report highlights 11 essential issues that shape the well-being of our community:

- | | |
|-----------------------------|-----------------|
| Arts & Culture | Food Security |
| Health, Wellness & Activity | Safety |
| Belonging & Leadership | Getting Around |
| Housing | Work |
| Environment | Getting Started |
| Learning | |

Why Your Support Matters

By partnering with WECF, you're not just supporting a report—you're investing in the future of Windsor-Essex. The Vital Signs® Survey reaches over 1,500 residents, while the final report is shared widely with community leaders, organizations, and over 4,000 social media followers. Your sponsorship helps amplify these voices, turning insights into action that strengthens our region.

Be Part of the Change

Let's build a stronger, more vibrant Windsor-Essex County together. Join us in supporting Vital Signs® and making a lasting impact on our community.
